

Glass Art Weekend April 27-28, 2024

Program

Saturday, April 27th

11:00 - 11:45 Guided tour:

Orrefors - from the past to Orranäs Glassworks 2.0.

Hear the exciting story of Orrefors and the new glassworks being built. Almost 100 years ago, Orrefors went from being a small factory town to becoming world-famous. Thanks to Ingemar Andersson's investment in Orranäs Glasbruk 2.0, the saga of glass in Orrefors continues. The tour is hosted by Amy Krüger (Glasswork Manager) and Maria Rudström (Business Manager) Orranäs.

11:45 We launch the product "The Seed"

Launch of the first product in this year's "Sunflower" glass collection. A beautiful design object that celebrates the new investment in the glass studio and the park.

12:00 - 15:00 Hammarsmedjan open

Experience the oldest industry in Orrefors with all your senses - the smell of tar and coal, the smelting hammer throbbing and the water wheels turning. Optional entrance.

All day: Free entry to the Orrefors Museum

Take the opportunity to see the fantastic exhibition "The Boys of Orrefors" about the iconic designers Sven Palmqvist and Nils Landberg. Optional Entrance fee.

All day: Christer Ericsson engraving in the shop

Watch a master engraver at work! Christer engraves on this year's theme "Sunflower".

Sunday, April 28th

11:00 - 11:45 Guided tour of the factory

Orrefors - from past to Orranäs Glassworks 2.0

Hear the exciting story of Orrefors and the new glassworks being built. Almost 100 years ago, Orrefors went from being a small factory town to becoming world-famous. Thanks to Ingemar Andersson's investment in Orranäs Glasbruk 2.0, the saga of glass in Orrefors continues. The tour is hosted by Amy Krüger (Glasswork Manager) and Maria Rudström (Business Manager) Orranäs.

11:45 We launch the product "The Seed"

Launch of the first product in this year's "Sunflower" glass collection. A beautiful design object that celebrates the new investment in the glass studio and the park.

12:00 - 15:00 Hammarsmedjan open
